It's fast, easy and informative

(the eNews email list is not automatic – you must sign up for it)

Jordan eNews is the weekly “Headline News” of what’s going on at Jordan, other activities available to Jordan families, and important announcements from the Jordan administration. The eNews will keep you up-to-date on dates and deadlines, special events, drama and music performances and schedule changes. Best of all, eNews doesn’t get lost in the bottom of a backpack – you will receive an email on most Mondays throughout the year.

It’s easy to sign up, and you can have both your home and work emails receive eNews. Each grade has its own list, and some grade-specific announcements will come via the eNews list, especially for all those 8th grade promotion activities. You don’t need to sign up every year – at the end of each year, your grade level list rolls up one grade automatically.
