JORDAN eNEWS SIGN UP AND STAY INFORMED!

Jordan eNews is the weekly email "Headline News" of what's going on at Jordan, as well as activities available to Jordan families in the PAUSD School District and in the Palo Alto Community. **eNews will keep you up-to-date on dates and deadlines, special events, drama and music performances and schedule changes.**

To sign up, GO TO: <http://www.jordan.paloaltopta.org/ewssignupCC.html> (or by going to the Jordan Home page www.jordan.pausd.org and clicking on the Parent Resources page.) Follow the instructions given, and remember to mark the grade(s) your child(ren) are in. Each grade has its own list, and some grade-specific announcements will come via the eNews list, especially for 8th grade promotion activities. *You will only receive one copy of the weekly eNews even if you have more than one Jordan student. Also, you don't need to sign up each year -- your grade level lists rolls up one grade automatically.*
